

## **Is Matrix Institute Open to the Public?**

Thursday, 14 January 2010 10:22 -

---

Matrix Institute located in a private rural community so that Mr. Scallion and Ms. Keyes could focus on meditating and being open to intuitive insights. In order to achieve these goals the Institute is not open to the public at any time. From time to time Mr. Scallion and Ms. Keyes do offer Members Conferences. Check Intuitive Flash Blog for any announcements.
